

WESTERN WATERS CANOE CLUB MEMBERSHIP/RENEWAL APPLICATION

Western Waters Canoe Club is a group of active open boat paddlers with a wide variety of paddling interests. Some club members enjoy calm estuaries while others enjoy wild whitewater rivers. Our purpose as a club is to promote the sport of canoeing, share our knowledge of places to paddle, support each other, and go on trips! As a club, we do not rent canoes or give lessons. All work for the club is done on a volunteer basis.

As an active member, you will be able to participate in club activities, be included on the club email list, and meet a great group of people who love to canoe!
